Summer is near, and this perfect little ranch is ready to be your new home! This charming 2-bedroom, 1-bathroom house feels like a cozy retreat. Picture yourself waking up in the spacious primary bedroom, bathed in the soft morning light. With 18x10 dimensions, there's plenty of room to stretch out and start your day. Down the hall, another bedroom awaits, perfect for an additional bedroom or office. The heart of this home is the inviting kitchen that's ready for culinary adventures. With ceramic tile flooring, ample counter space, and plenty of cabinets, it's a haven for both budding chefs and takeout enthusiasts. The full bathroom is as functional as it is charming, with ceramic tile flooring and a clean, modern design that makes every day feel a little more luxurious. Outside, your summer fun continues. The detached garage offers convenience and extra storage, while the 40x100 lot gives you room to garden, play, or simply soak up the sun. The house is on a corner lot and the backyard has a full privacy fence, so you'll enjoy extra privacy and a bit more space than usual. So come on over and see why this charming house should be your next home. From the delightful interior to the sunny yard, every inch of this property is ready for you to create new memories and enjoy all the best parts of
